MITRATECH

Empower Your People
Automate Your Processes
Elevate Your Success

Who We Are

Mitratech has a 35-year history as a leader in providing technology and services that empower organizations to manage risks, increase efficiency, control costs, and scale for the future.

The lines continue to blur across Legal, Risk & Compliance, and Human Resources — and Mitratech is the trusted partner in driving clarity and collaboration across all these functions. We serve over 24,000 organizations worldwide — spanning more than 160 countries — with cloud-based, automation-driven software and hands-on services that address our customer's most complex problems across every industry.

What We Do

We know your business and we know technology. Together, we'll empower your people, automate your processes, and elevate your success with innovative solutions and services that deliver employee-centric experiences, fully-automated compliance, data & analytics that drive decision-making, and seamless integrations to minimize disruption and maximize adoption.

EXPERIENCE THE MITRATECH DIFFERENCE.

- No-code **simplicity**
- **Automation** that takes the administrative lift off of your team
- A complete **digital audit trail** with analytics and reporting to drive decision-making
- **Integration** with your existing processes and infrastructure

- **World-class** cloud security
- White-glove support and expertise to **optimize** user adoption and expertise
- **Fully-automated** compliance that doesn't sacrifice speed
- **User-focused** design for seamless adoption

- **Significant** time and cost savings on implementation, ramp-up, and onboarding
- **Continuous investment** in R&D, AI/ML, and user experience
- An intentional **feedback loop** to ensure customer satisfaction and knowledge sharing
