PolicyHub
FOR LAW FIRMS

MITRATECH

Policy Management has **never been easier.**

PolicyHub knows Law Firms

Whether you're concerned about promoting ethical responsibility, safeguarding brand reputation, preventing data breaches, or handling extremely sensitive PII/PHI, PolicyHub was designed with your process improvement and compliance needs in mind.

PolicyHub is a best-in-class solution relied upon by law firms companies to simplify the complexities of managing and communicating policies and procedures. It's so easy and intuitive to work with, our customers rave about how it streamlines Policy Management.

We know your challenges:

- To maintain a high level of cybersecurity awareness

- To ensure data privacy best practices

- To meet personal data regulations like HIPAA and the GDPR

- To establish and enforce a culture of ethics

- To satisfy ABA Rule 1.1, Comment 8 on the consideration of technology

We know your compliance pressures are endless, including:

- By making significant business process improvements

- Mitigating your business risk through enhanced training

- Reducing inefficiencies and thus maximizing billable time

- Using a technology solution that delivers ease of use

Meet your compliance demands with ease

PolicyHub lets you meet these demands and more by giving you the turnkey, cost-effective, measurable Policy Management and compliance solution you need. One that's also amazingly easy to adopt and use.

PolicyHub makes it simple to demonstrate corporate responsibility and a defensible compliance program, reduce the risk of breaches and heavy fines, and make your policy compliance functions more efficient.

"It makes compliance policy and procedure communication easy."

MARKEL INTERNATIONAL

PolicyHub streamlines Policy Management for Law Firms

- By empowering you to centrally create, approve, and communicate policies

- By enabling intelligent distribution, knowledge assessments, and reporting

- By saving time and improving efficiency

- By giving your organization the defensible program it needs to demonstrate corporate responsibility – and reduce its compliance risks reduce its compliance risks

How PolicyHub pays off

Significantly **reduce the administrative burden** of managing, distributing and reporting on corporate policies and procedures

Increased automation allows for attorneys to concentrate on billable hours as opposed to manual tasks associated with searching and signing off against policies and procedures

Promote and maintain a healthy brand reputation in a volatile marketplace by demonstrating an ethical culture

Reduce increasing business risks associated with data privacy and cyber security – through better informed employees
