

Policy Management has **never been easier.**

PolicyHub knows Retail

Whether you're concerned about changing business models, communicating policies to store managers, having a high number of shop-based workers, or a geographically dispersed workforce, PolicyHub was designed with your process optimization needs in mind.

PolicyHub is a best-in-class solution relied upon by retail companies to simplify the complexities of managing and communicating policies and procedures. It's so easy and intuitive to work with, our customers rave about how it streamlines Policy Management.

We know your challenges:

- Traditional Human Resource touchpoint with employees is removed with dispersed factory level employees
- To meet the requirements of global and country-specific environments
- To distribute policies and procedures in multiple languages
- To efficiently manage attestation and knowledge assessments

We know your compliance pressures are endless, including:

- Meeting PCI DSS standards
- Enforcing cybersecurity and data protection
- Assuring consistent product quality
- Following applicable employment law
- Optimizing loss prevention

Meet your compliance demands with ease

PolicyHub lets you meet these demands and more by giving you the turnkey, cost-effective, measurable Policy Management and compliance solution you need. One that's also amazingly easy to adopt and use.

PolicyHub makes it simple to demonstrate corporate responsibility and a defensible compliance program, reduce the risk of breaches and heavy fines, and make your policy compliance functions more efficient.

“It makes compliance policy and procedure communication easy.”
