

Mitrates HotDocs for Law Firms

Propel your law firm towards scalable growth and greater efficiency with Mitrates HotDocs – the most trusted legal document automation and assembly software for over three decades.

Now part of Mitrates' leading Legal and Compliance Platform, HotDocs goes beyond empowering users with faster, more configurable document generation and automation capabilities to offer the market's premier matter, contract, and document automation suite.

“

HotDocs has reduced our turnaround time for legal document generation, allowing our attorneys to focus their expertise on addressing legal issues unique to each of our clients.”

— Director of Application Development & Business Process,
Fenwick & West LLP

Why Mitrates HotDocs?

AUTOMATION WITHOUT LIMITS

Automate any document set – regardless of volume or intricacy – with HotDocs' time-saving automation solution. HotDocs enables clients to create standardized documents faster and easier than they did manually.

A PREMIUM CUSTOMER EXPERIENCE

Faster turnaround times, personalization and error-free documents help you deliver a superior customer experience. When you use HotDocs, you can rest assured that your customers are receiving an accurate and professional document in a timely manner.

USER-FRIENDLY LOGIC

With HotDocs, even the most complex documents can be kept uniform across your company. Use HotDocs' sophisticated conditional logic to generate user-friendly interviews that make it quick and easy for your employees or customers to provide the information you need.

CENTRALIZED CONTROL AND COST-SAVING COMPLIANCE

HotDocs consolidates multiple versions of legacy documents into one comprehensive template, giving you centralized control and minimizing risks caused by compliance issues or data entry errors.

FLEXIBILITY WHERE YOU NEED IT MOST

HotDocs' Open API enables businesses to integrate with core systems and other mission-critical platforms. The seamless integration with your existing workflows eliminates duplicate data entry and ensures you have the best tech stack for your business' unique needs.

CUSTOMIZATION AT A MOMENT'S NOTICE

Need to customize your template or make a quick change to a document? Don't waste your resources on a developer. Leverage HotDocs' industry-leading customization capabilities, from formatting and image inclusion to updating documents in a fraction of the time

Plus...

PREMIER CONTRACT AND MATTER MANAGEMENT OPPORTUNITIES

The combination of HotDocs with Mitrates' award-winning matter management, contract automation, and legal automation suite offers greater efficiency, compliance, and data accuracy levers for teams of all sizes and complexities worldwide.

30+ years
