

Cut Down the Paperwork Pile with Mitrates HotDocs for Insurance

Save time and resources without sacrificing business critical accuracy or the user-friendly experience your staff and clients demand. Automate your insurance document assembly and production with Mitrates HotDocs, the industry-leading document automation software for over 30 years.

Why Mitrates HotDocs?

From the initial application to underwriting, reinsurance, and claims processing, your business needs to be able to handle high-volume documentation and complex requests seamlessly. Mitrates HotDocs document automation software empowers you to:

- Quickly generate essential client policy documentation
- Effortlessly tackle your high-volume document needs
- Eliminate data entry errors and mitigate compliance risk
- Consistently deliver a premium, personalized client experience

EXPERIENCE AUTOMATION WITHOUT LIMITATION

Accelerate your speed-to-market and streamline document creation, regardless of the document's size, complexity, or customization needs. Mitrates HotDocs brings together the multitude of individual insurance offerings into a single, easy-to-use interview.

STAY COMPLIANT IN A HIGHLY REGULATED MARKET

Minimize risk, eliminate errors, and ensure the latest, most accurate version of your document template is used throughout the business with Mitrates HotDocs' user access and template version controls.

GET THE INFORMATION YOU NEED WITHOUT DUPLICATE DATA ENTRY

Mitrates HotDocs' open API enables you to automatically extract information from your existing core systems and mission critical platforms, saving time and eliminating unnecessary steps and redundant admin.

CREATE ANY DOCUMENT IN ANY LANGUAGE

Scale your operations and ensure all your documents are compliant with business standards regardless of their language. Mitrates HotDocs' best-in-class, multi-language support is built to fulfill even the most complex language requirements.

DELIVER A PREMIUM EXPERIENCE, EVERY TIME

With faster turnaround times, customization and error-free documents, Mitrates HotDocs provides the tools you need to retain and gain clients and stay competitive.

“

HotDocs provided us with an improved policy issuance system, which eliminated past backlog and provided accurate and timely policies, thus improving customer service. The library also ensured the integrity of our policy documents was protected.”

— TECHNICAL UNDERWRITER,
AXA XL INSURANCE

90%
