

Expand Your Market Presence with Mitratesh's Influence Partner Program

The Influence Partner Program at Mitratesh collaborates with established companies in the HR industry that are committed to providing value to customers and strengthening their relationships with them. Participation in this program helps you diversify your core offerings without making additional investments.

Commitment to this program is simple: you refer customers who face challenges in the HR and Compliance area to us and help spread the word about the comprehensive portfolio of solutions at Mitratesh. In return, your customers get access to these at a preferred price, and you position your company as a trusted expert.

Benefits:

Members get access to all of the resources they need to succeed in this partner program, including:

- Access our Partner Portal to submit referrals and track their progress.
- Marketing materials on-demand.
- Partner Enablement Resources.
- Ready-to-use content to share with potential customers.
- Access to Mitratesh's HRC Portfolio APIs*.
- Mitratesh's HRC Portfolio webinars.

**Subject to API-specific restrictions.*

Mitratesh's Influence Partner Program Is for You If:

- You're looking for a Referral Partnership that helps drive mutual growth.
- You want to expand your core offerings to help your customers thrive.
- You are interested in participating in marketing strategies that increase both our market reach and impact.
- You have a robust presence in the HR Industry and are looking for a reliable HR and Compliance leader that complements your services.
- You are open to providing visibility into your customer base to collaboratively address their current challenges.

Join us in building a mutually beneficial partnership that fosters trust and satisfaction for both your clients and your company.

How to become an Influence Partner?

- Fill out the [Influence Partner Program Form](#).
- Schedule a brief call with our team to discuss your business in more detail.
- Complete a vetting process with our Partner Program Team.
- Upon meeting the requirements, a marketing agreement will be sent.
- Participate actively in the program.
