How to access your account

Note: The steps below are an additional avenue to access your account. You may also log in directly using the credentials provided in your Welcome Email from noreply@trustmineral.com.

- 1 Go to apps.trustmineral.com and select "Forgot username."
- 2 Enter your email address.
- 3 If told there is no account associated with that email, contact selecthealth@trustmineral.com.

Note

If you think you have multiple Mineral accounts for your organization please reach out to SelectHealth@TrustMineral.com for further guidance.
