MitraTECH Expo

We'll be gathering our Mitratesh product experts in the Roosevelt Promenade for this personal rendition of a "MitraGenius Desk." Walk up and get answers to your most pressing product, platform, and portfolio questions with live Q&A and hands-on demos — all available to you in an open Expo format that will be running the duration of Day 1 and Day 2.

Try Something New in NOLA

While exploring resources to bolster your current tech stack, be sure to visit our other solution displays to learn more about Mitratesh's portfolio, ecosystem, and integrations across Corporate Legal & Claims, Governance, Risk & Compliance, and Human Resources Compliance.
