

## Navigating Intuit Quickbooks: Your Guide to Accessing HR Resources

A simple, step-by-step process on how to view your HR Resources in the Intuit QuickBooks Online Payroll platform

## First, log into the **Quickbooks platform**.

On the left side of the screen, hover over "Payroll" to reveal a drop-down list.

## Next, click HR advisor on the drop-down.

Click the "Go to Mineral" button to be taken to Mineral's homepage, or access any of the shortcut links below.

## From here, you will locate resources for:

- Hiring and onboarding
- Creating an employee handbook (Setting Policies)
- · Staying up to date on changing laws and policies (Following HR laws)
- And more!
