

VALUE REPORT

Food & Beverage

Food & beverage businesses can potentially save up to \$10,000 annually with Mineral® solutions.

Food & Beverage Industry Issues We Resolve

Tips & Tip Pooling

Can we allow employees to keep the cash and credit card tips they receive, or do they have to pool tips to share with others on the shift?

Managers & Tipping

We have a shift leader who has some leadership responsibilities, but also helps with front-of-house duties (cleaning tables, bringing out food, etc.). May we include them in our tip pool even though they have leadership duties?

Pay Deductions

If a customer dines and doesn't pay, may we deduct the amount from the server's pay to cover the loss?

Medical Leave

We often assign employees to work across three locations depending on staffing availability. We have 55 employees, many of whom are part-time. How should we handle medical leave of absence requests?
